1630 S. Myrtle Avenue
Monrovia, CA 91016

Dear Mr. Helbing,

Thank you so much for supporting the Pasadena Humane Society & SPCA by generously sponsoring the San Marino Motor Classic on June 9, 2013 at Lacy Park. Your gift is vital to the success of the event which directly helps the animals in our shelter.

Thousands of animals, from our service cities of Arcadia, Glendale, La Cañada Flintridge, Pasadena, San Marino, Sierra Madre and South Pasadena, come to us every year, each with their own unique story. Because of caring individuals like you, these homeless, lost and relinquished pets receive nourishing food, safe shelter and medical care. Your generosity ensures that they have the opportunity to find a loving home. It is these second chances that you provide that make our community a better place for animals and people alike.

In the eyes of the thousands of animals that come through our doors annually, you are a hero.

As you may know, the Pasadena Humane Society does not receive any funding from the ASPCA or other national humane organizations. When you support the Pasadena Humane Society, you are helping animals right here in your community. Thank you for standing up for local animals!

Sincerely,

Steven R. McNall
President and CEO
